Grand Knights Message

This July 1st marks the threshold as our Council enters into a new Columbian year. Together we have been able to accomplish a great deal working together. My hope is that some of our focus will be able to carry over into the "new" Council year.

Increasing our support for the Women's Care Center and the good work that is being done there for the protection of mothers and the unborn. Our councils help is most needed and necessary

I expect to have a recommendation By the Diocese of Rochester early this month regarding our Councils ability to charter the BSA troop 278 at Saint Marks.

I do know Diocesan representatives and Boy Scouts met last week. I will, in all likely hood, have some information for us to use sometime this week, so that the Council will be able to vote on this Charter request at our July 18th Meeting.

It was reported at our June meeting That Marty Sindon and his group of Council volunteers had a very successful fundraiser at Sams selling hot dogs and hamburgers. My thanks again, to all who helped with this worthwhile event for the Council.

Congratulations to Jacinto Rincon who is the newest member of our Council, making his 1st and 2nd degree on June 13th in Webster.
