Grand Knight's Message

Brother Knights,

Lent is upon us and we are moving forward with our Lenten Fish Fry.

This year will be curbside pick-up only, but we hope it will remain as fruitful as our previous events. We are going to require plenty of volunteerism as we have in the past. This time we will be looking for several people to support our outdoor portion. This will require that we dress for the weather. The kitchen support will be limited to a minimal compliment to maintain social distancing. We will require traffic management, a supply chain from the kitchen to the front of the church, order attendants and a cashier. We have many "mature" volunteers that will not be able to do the exterior work, so I am hoping we will have a large contingency of our younger members to cover the majority of these needs on a rotational basis. As incentive and encouragement, I'd like to report on a great deed we were able to assist with due to the funds we collected in previous years.

As a KofC Council, we provided the largest Knight's Council donation to the Focus Pregnancy Center Pro-Life Ultrasound Van and, through the efforts of our Advocate, managed to secure additional funding from Supreme. The van should be ready for deployment in April to fulfill its Pro-Life agenda.

I have stated in the past that we, as a Council, should be incredibly proud of our participation in this effort. My hope is that we will be able to continue to support this effort moving forward by funding expenses. We can do this by voluntarily supporting our Fish Fry. God bless all of you and I look forward to seeing many of you at our fish fry!

Prayer for Good of the Order

Lord, look upon our loved ones with eyes of mercy, may your healing hand rest upon them, may your life-giving powers flow into every cell of their bodies and into the depths of their souls, cleansing, purifying and restoring them to wholeness and strength for service in your Kingdom. Together, we ask this for them [according to Your will] through Christ our Lord. Amen.
