Grand Knight's Message

Dear Brother Knights,

I encourage you all to read Bishop Matano's article "*Tradition: What is it?*" in the October edition of the Catholic Courier. As I read through the article, I was enlightened to find such reinforcing messages as to why we are Knights and why we work so hard at what we believe in. I found the article to shed light on not only October being "Respect for Life Month", but also the month of honoring Christopher Columbus. Our works as Knights of Columbus enables us to take tradition and provide a 'living reality' as Bishop Matano put it, to the tradition of our principles – Charity, Unity, Fraternity, and Patriotism. The naysayers of tradition, those who would view our living actions as outdated, totally miss the fact that our works create positive change all guided by our Catholic faith. The pressures of society to question and change our traditions and practices contributes to the challenges for volunteerism and recruitment with our young population. I encourage us all to stay strong with our traditions as Catholics as we continue to provide our charitable works. And to recognize that the fruits of our traditions are realized with our actions as Knights of Columbus.

God bless,

Tony Morales
Grand Knight

Prayer for Good of the Order

Lord, look upon our loved ones with eyes of mercy, may your healing hand rest upon them, may your life-giving powers flow into every cell of their bodies and into the depths of their souls, cleansing, purifying and restoring them to wholeness and strength for service in your Kingdom. Together, we ask this for them [according to Your will] through Christ our Lord. Amen.
